Please go to the [All-Payer Data Submission Form](#) to submit payment and/or patient count data for your payment arrangements.

No, but I want to know if the arrangement I am in qualifies as an Other Payer Advanced APM.

1. You must complete the Clinician Initiated Other Payer Advanced APM Determination process in order for CMS to determine whether the payment arrangement qualifies as an Other Payer Advanced APM. Please go to the [Eligible Clinician Arrangement Form—Commercial 2021](#) to submit your payment arrangement information.
2. You may also submit your payment or patient participation data at this time (i.e. prior to receiving a determination from CMS). However, note that submission of participation information does not guarantee approval of the payment arrangement as an Other Payer Advanced APM. Please go to the [All-Payer Data Submission Form](#) to submit your participation data.
3. We will post an updated list after the end of the QP Performance Period (except for Medicaid payment arrangements).
