Purpose: This guide will cover the general information about opt-in elections, as well as the election process on the [QPP website](#) for practice representatives (staff, clinicians, solo practitioners) and Qualified Clinical Data Registries (QCDRs)/Qualified Registries. Both practice representatives and QCDRs/registries can submit opt-in elections on behalf of a group and individual clinicians, but the workflow differs.

Overview

Opt-In Eligible Clinicians and Groups

A clinician or group that is otherwise eligible for MIPS and exceeds 1 or 2, but not all 3 low-volume threshold criteria, is considered “opt-in eligible.”

If you’re opt-in eligible, you can:

- **Do nothing.** You don’t exceed the low-volume threshold and aren’t required to participate in MIPS.
- **Elect to opt-in.** If you choose to opt-in, you’ll submit data, receive performance feedback, and receive a MIPS payment adjustment in 2024.
- **Elect to voluntarily report.** If you don’t want to receive a MIPS payment adjustment in 2024, but want to participate in MIPS, you can voluntarily report data and receive limited performance feedback on the data you report.

You must submit and confirm an election to opt-in or voluntarily report for your opt-in eligible clinicians and groups before their data can be submitted. Once an election is made to opt-in or voluntarily report, **the decision is final and can’t be reversed.**

NOTE: If a group is part of a virtual group and exceeds 1 or 2, but not all 3 low-volume threshold criteria (and is otherwise eligible to participate in a virtual group), the group is considered “opt-in eligible” and will be able to participate in MIPS as part of a virtual group. A virtual group election that includes the listing of such group confirms such group’s election to opt-in and participate in MIPS as part of a virtual group.

NOTE:

APM Entities can’t opt-in to MIPS. However, opt-in eligible clinicians and groups who are also MIPS APM Participants can opt-in to participate in traditional MIPS and/or the APM Performance Pathway (APP) at the individual or group level.

Don’t Want to Submit Data?

Opt-in eligible clinicians, groups, and APM entities that don’t want to submit data **DON’T** have to make an election.

Important Dates and Deadlines: Opt-in and Voluntary Reporting Elections

December 2022

- **Updated MIPS eligibility determinations for the 2022 performance period is released**, data is reconciled from the two 12-month segments of the [MIPS Determination Period](#).
- **HOW DO I KNOW IF I'M ELIGIBLE?**
 - Now that eligibility data has been updated, check your MIPS eligibility status for the 2022 performance period using the [QPP Participation Status Tool](#).

January 3, 2023

- **2022 opt-in and voluntary reporting election period** and data submission period opens **January 3, 2023**.
- **HOW DO I ELECT TO OPT-IN OR REPORT VOLUNTARILY?**
 - Sign into the [QPP website](#) to complete the opt-in or voluntary reporting election in order to submit data.
 - If you're working with a QCDR or Qualified Registry, they can also complete this election on your behalf before submitting your data.

March 31, 2023

- **2022 opt-in and voluntary reporting election period** and data submission period ends on **March 31, 2023**.
- **WHEN DO I NEED TO ELECT TO OPT-IN OR REPORT VOLUNTARILY BY?**
 - If you're opt-in eligible and want to submit data, you must complete your opt-in or voluntary reporting election and submit your data by **March 31, 2023**.

MVPs are not available to opt-in eligible individuals. 	<p>If you're opt-in eligible as a group, you can:</p> <ul style="list-style-type: none"> • Make a group election to opt-in or voluntarily report to traditional MIPS so you can submit data as group; • Groups w/ clinicians in a MIPS APM: Make an election to opt-in to report the APP as a group. The final score earned by the group through the APP would be applied only to those MIPS eligible clinicians who appear on a MIPS APM's Participation List or Affiliated Practitioner List on one or more snapshot dates. Do nothing (you're not required to participate in MIPS as a group or make an election). • Opt-in eligible groups can't report an MVP for the 2022 performance period due to MVPs not being available until the 2023 performance period. MVPs are not available to opt-in eligible groups.

Opting-In vs. Voluntary Reporting

If you're opt-in eligible for the 2022 performance period **and** want to submit MIPS data, you need to choose whether to **opt-in** or **voluntarily report**.

If You Elect to Opt-in:	If You Elect to Voluntarily Report:
✓ Participants in a MIPS APM can choose whether to report the APP or traditional MIPS.	✓ Participants in a MIPS APM can voluntarily report via traditional MIPS. × You can't voluntarily report the APP.
✓ You will receive a MIPS payment adjustment (positive, negative, or neutral).*	✓ You won't receive a payment adjustment.
✓ You'll receive performance feedback.	✓ You'll receive limited performance feedback × You won't receive feedback on cost measures or claims quality measures.
✓ Your data will be included in measure benchmark calculations.	× Your data won't be included in measure benchmark calculations.
✓ Your data will be made available for public reporting in the Doctors & Clinicians section of Medicare Care Compare .	✓ Your data will be made available for public reporting in the Doctors & Clinicians section of Medicare Care Compare. Voluntary reporters can choose to opt-out of having their data publicly reported during the Care Compare Preview period in late 2023.

While unlikely, it's possible that both a practice and a clinician are opt-in eligible. If the practice elects to opt-in as a group and the clinician elects to opt-in as an individual, the clinician would be assigned the higher of the two final scores and associated payment adjustment.

Opting-in as a Group

- If you opt-in to traditional MIPS as a group, all MIPS eligible clinicians in the practice will receive a payment adjustment based on the group's performance.
- If a group opts-in to the APP, the final APP score earned by the group only applies to clinicians who appear on a MIPS APM's Participation List or Affiliated Practitioner List on one or more snapshot dates.
- Clinicians in the group that opted-in to the APP who are not MIPS APM participants will not receive a payment adjustment based on their group's APP performance; these clinicians will receive a traditional MIPS score. Final payment adjustment will be based on the highest available score or virtual group participation, if applicable.

What Do I Need to do to Prepare for This Election Process?

To complete the election to opt-in or report voluntarily, you need to:

Verify Your MIPS Eligibility for the 2022 performance period.

- Check your final MIPS eligibility using the [QPP Participation Status Tool](#).

Confirm and Communicate Your Decision to Opt-in or Voluntarily Report.

- If you're working with a QCDR or Qualified registry, make sure to communicate whether you want to opt-in or voluntarily report traditional MIPS, or opt-in to report the APP.

Have a HARP Account and QPP Role to complete the election.

- Review the [QPP Access User Guide \(PDF\)](#) for information about creating an account and requesting a QPP role.

Submitting Opt-in and Voluntary Reporting Elections via Application Programming Interface (API)

Authorized QCDR and Qualified Registry representatives can submit opt-in and voluntary reporting elections on behalf of their opt-in eligible clients via the [QPP API](#).

- Elections can be made during the submission period (January 3, 2023, through March 31, 2023).
- [Eligibility API documentation](#) contains instructions on how to submit opt-in and voluntary reporting elections.
- Elections must be made before you can use the [Submissions API](#) to submit data on behalf of opt-in eligible clients.

Election Process

Election Process Workflows

Both practice representatives and QCDRs/registries can submit opt-in elections on behalf of a group and individual clinicians, but the workflow differs:

- [Practice Representatives \(i.e. Staff, Clinicians, Solo Practitioners\)](#)
- [QCDRs and Qualified Registries](#)

Practice Representatives: Election Process

Practice Representatives: Election Process

Step 1: Select the Practices Tab

Click on the **Practices tab** and review the practices you are connected to. If you don't see a practice, please refer to the [QPP Access Guide \(ZIP\)](#) for information on connecting to an organization.

The screenshot shows the 'Eligibility & Reporting' section for 'Performance Year 2022'. The left sidebar contains a navigation menu with 'Practices' highlighted. The main content area displays information about the QPP Participation Status Tool, including eligibility data for November 2022 and the next update in December 2022. Below this, there are tabs for 'Virtual Groups', 'APM Entities', and 'Practices', with 'Practices' being the active tab. A search bar is present, and the results show 'Dittrich, Krajčiček and Urbanová' with a TIN of #166000093. The interface also includes buttons for 'Report as Group' and 'Report as Individuals'.

Practice Representatives: Election Process

Step 2: Report as a Group or Individual Clinician

Select **Report as Group** (or **Report as Individuals**) to the right of the practice's eligibility summary to begin the election process.

- This guide uses a group election example.
- If you select **Report as Individuals** a list of clinicians associated with the practice will populate. Select **Report as Individual** to the right of an opt-in eligible clinician's name to make an election for that clinician.

Report as Group

Report as Individuals

[View practice details & clinician eligibility >](#)

Reminder: If your practice is participating as a group, you don't need to make an election for individual clinicians unless they are also submitting individual data.

Step 3: Group Reporting Options

Reporting options for the group (or individual clinician) will populate with descriptions of each election option.

Select either **Opt-In** or **Report Voluntarily** to proceed with the election process.

- Select **Opt-In** if you're electing for the practice to receive a MIPS final score based on a group submission and for all MIPS eligible clinicians to receive a payment adjustment.

OR

- Select **Report Voluntarily** if you're electing for the practice to receive a MIPS final score based on a group submission, but no payment adjustment for the MIPS eligible clinicians.
 - **NOTE:** You can't voluntarily report the APP.

Change Your Mind? If you change your mind, you also can **cancel and go back** to the main Eligibility & Reporting page.

Group Reporting Options

To participate in MIPS, you must decide whether you will **opt-in** or **report voluntarily** before any data can be submitted.

Verify your election by typing “**CONFIRM**” in the text field and clicking **I’m Sure, Confirm Opt In** or **I’m Sure, Report Voluntarily**.

Next, you will receive a message confirming your election and the option to **Start Reporting**.

The image shows two screenshots of a web application interface. The left screenshot is a modal dialog titled "Are You Sure?". It contains a warning icon and text: "By opting-in, Dittrich, Krajíček and Urbanová will become MIPS eligible for the 2022 performance year and will receive a final score based on any data submitted or not submitted. This election is permanent and cannot be changed later." Below this is a text input field with the placeholder "Please Type 'CONFIRM'" and the text "CONFIRM" entered. At the bottom are two buttons: "Cancel and Go Back" and "I'm Sure, Confirm Opt In". A red box highlights the input field and the "I'm Sure, Confirm Opt In" button. A red arrow points from this dialog to the right screenshot. The right screenshot is a modal dialog titled "Opt-In Confirmed". It contains the text: "Dittrich, Krajíček and Urbanová has been successfully opted in to report for the 2022 performance year." and a blue button labeled "Start Reporting".

Change Your Mind?

If you change your mind on opting-in or reporting voluntarily, click **Change My Election** if you don't want to proceed. **Once an election to opt-in or voluntarily report is confirmed that election can't be undone or changed.**

Practice Representatives: Election Process

Step 5: Start Reporting

Reminder: The submission period is January 2, 2023 to March 31, 2023.

Reporting Overview

Once you confirm your election, you'll be brought to the **Reporting Overview** page, where you can begin submitting data.

The screenshot shows the 'Reporting Overview' page for 'TRADITIONAL MIPS'. It includes the practice name 'Detrich, Krajčák and Urbanová', TIN '166000093', and address '414 Tiedel Plains, Apt. 779, South Shawnaamouth, NJ 116646997'. The 'PERFORMANCE YEAR 2022' is selected. A 'Start reporting' section explains that users can start reporting by uploading properly formatted QIP-2020 and QIP-2021 files. A red box highlights the 'Upload File' button. Below this, a 'Preliminary Score' section shows a progress bar at 0/100 and a list of categories: Quality (0/40), Promoting Interoperability (N/A), Improvement Activities (0/30), and Cost (0/30). A note states 'Your final score will be available for preview in Summer 2023.'

Reporting Options (MIPS APM Participants Only)

If you elected to opt-in, you'll be brought to the **Reporting Options** page where you'll be required to indicate if you're reporting traditional MIPS or the APP. As a reminder you can't voluntarily report the APP.

The screenshot shows the 'Reporting Options' page for 'Bogan - Luehlwitz | TIN: 549003503' at '637 Elmore Mount, Apt. 645, Botsfordmouth, KS 099014313'. It presents two options for all MIPS eligible clinicians in a MIPS APM: 'APM Performance Pathway (APP)' and 'Traditional MIPS'. Both options include a brief description and a 'Start Reporting' button, which is highlighted with a red box for each option.
