

2019 Qualifying APM Participants Notice for APM Incentive Payment

In October 2019, CMS announced disbursement of the 2019 5% APM Incentive Payments to eligible clinicians who were Qualifying APM Participants (QPs) based on their 2017 performance. When CMS prepared to disburse payments for the 2019 5% APM Incentive Payment, we were unable to verify banking information for the QPs listed below. We need your assistance in verifying banking information.

Under the Quality Payment Program, Qualifying APM Participant (QP) status is based on eligible clinician participation in Advanced Alternative Payment Models (APMs), that meet the applicable payment amount or patient count thresholds for that year. QPs receive a 5% lump sum APM Incentive Payment for the applicable performance period. CMS pays the APM Incentive Payment two years after the QP Performance Period. The 2019 APM Incentive Payment is for your QP status obtained during the 2017 QP Performance Period.

Please use the search function in your browser to search for your NPI and name. In addition, you can now access this information in an excel spreadsheet [here](#). If you have identified yourself on the list, you may start the verification process. **Please email your name, email address, and National Provider Identifier (NPI) to APMIncentivePayment@cms.hhs.gov.**

Upon receipt of your name and NPI, we will email you the secure process for providing your banking information. The deadline to provide the updated banking information is **February 28, 2020**.

We look forward to receiving your email and working with you to ensure we are able to disburse your 2019 5% APM Incentive Payment.

Have Questions?

Please contact the Quality Payment Program for assistance:
